Listen to yourself! Experience Terme Tuhelj!

Terme Tuhelj, the largest water and wellness centre in Croatia, is located at the source of thermal water and medicinal mud, only 35 km from Zagreb. Surrounded by wellness gardens, greenery and modern architecture, hotel Well**** Terme Tuhelj contains 264 rooms. In addition to the comfort of the rooms, guest can enjoy various wellness and beauty treatments, rich entertainment for children and adults and excellent cuisine at hotel restaurant and a la carte restaurant Castle Mihanović.

In its operations, they tend to be different, innovative and distinctive. Because of that, Terme Tuhelj is constantly developing their business in order to offer their guests maximum quality and comfort. Following the trends in thermal and health tourism, they have become destinations for improving the quality of life, setting new standards and developing a brand new offer.

In SPAeVITA center of beauty and care and in World of saunas, Terme Tuhelj develop new treatments, selfness programs and a variety of homemade treatments that are based on knowledge and expertise of personnel and the natural resources that are contained in thermal water and mud. In all programs, there are special selfness touches that teach guests how to retain youth, remain vital, maintain health and to take better care of themselves and feel good. The largest water park in Croatia, besides entertainment, bathing in thermal water and water attractions, offers various programs for body movement in water and dry land, in order to prepare the body and encourage better working of the whole organism.

Because of its competitive advantages (close to the capital city, congress hall with natural light accommodating up to 500 people and modern audio - visual equipment), business center has become a destination of choice for many business organizations and large companies.
